Other change** <p>Slight changes made to 1845-0014 are to include references to the Income-Based Repayment (IBR) Plan, which is mandated by the College Cost Reduction and Access Act (CCRAA) that makes IBR effective on July 1, 2009. The October 23, 2008, regulations implemented the IBR Plan that was established by the CCRAA. This second, follow-up 83-C request dated July 21, 2009, is to fix some typos regarding the accrual and capitalization information on forbearances issued for IBR borrowers, to eliminate potential confusion about forbearance options for ICR borrowers, and to clarify references to eligible and ineligible loans for IBR.</p> <p>We do not expect any burden increase at this time for 0014. Roughly the same population of borrowers is involved, and no new collection of data is being requested from the borrower via this form.</p>
